6th Annual Community Fair

This year marks the sixth time that the Griesbach Community Association takes on the ambitious task of sponsoring the Community Fair on Saturday, May 29th.

Ambitious? Yes, thanks to the generous donation of time and effort by many residents to make the annual festival a truly successful and worthwhile community project.

Along with the exciting rides, games, loads of hot-dogs, soft drinks and coffee, valuable prizes in a giant draw, the usual street parade and band music, some innovations have been made including a rather unique baking contest with prizes offered for three groups, adults, teens, and children. Judging in the baking contest will be performed by a well-known local TV personality.

And a "Must" for all members of the family is the spectacular fireworks display closing the 1965 fair at 9:30 p.m.

And so, Saturday, May 29th, is celebration day at Griesbach.

In Most Cases, Brakes Are Better Than Horns

Which is safer? Blow the horn and hope to scatter the other traffic like frightened hens, or apply the brake and wait of an opening?

There are times when sounding a horn can be helpful, such as letting traffic ahead know you are there if you're in what might be a blind spot to the other drivers. Or if a bicycle is wiggling along ahead, or someone seems to be about to open his car's door on the traffic side.

At times like that, a short blast on the horn may smooth the way safely. But in an emergency... If the blind-spot driver suddenly moves into your path, or the cyclist wiggles in front of your car, or the door actually opens, no horn in this world will prevent an accident.

Brakes, properly and speedily applied, are much more sensible. Make braking a habit. On top of this, be always sure your car's brakes are in top condition.

SWAP SHOP

The Bugle has learned that sales only during the hours that the Swap Shop located in the the Griesbach Fair will be operating, 12 noon until 9:30 p.m., Saturday, May 29.

Our Front Cover

Dreaming of those long pleasant summer days and a spot of leave, soon brought visions of a successful fishing jaunt. So we decided to run this graphic scene of netting a big one after Sgt. Myles King told us that the Western Command Fish and Game Association was conducting a Fish Derby for pickerel on Saturday, June 12, at Lake St. Anne.

Most of the 50 members of the Association will hit the trail to Lake St. Anne, about 50 miles northwest of Edmonton, anytime after 5:00 p.m., Friday, June 11th with weighing-in time for prizes set for 2:00 o'clock Saturday afternoon.

Incidentally, if you are interested in joining the Fish and Game Association, contact Sgt. King at Local 540.

Many thanks to radio 630 CHED for their co-operation.

FAIR PARADE STARTS SATURDAY, MAY 29, 11 a.m.

Annual Budget Proposed

The Griesbach Council last week introduced a proposed annual budget based on revenue and operating expenses over the past two years. Assuming these trends continue, there are minimum funds remaining for capital expenditures. An income statement of revenue and proposed expenses is published below.

REVENUE

The two main sources of revenue are from membership subscriptions and the MLS rebate from the community Snack Bar/Teen Centre. Currently, the subscriptions constitute 67% of the total available were every resident contributing to the association. The MLS rebate is dependent on the usage of the sundries and snack bar; and any reduction in business would adversely reflect this revenue.

BOOK RENTAL

The one item for the book rental programme is subject to variation, and a major change in the texts by the education department would create serious financial burden on the Council.

GRIESBACH BUGLE SELF-SUFFICIENT

The Bugle, while sponsored by the community association, is considered to be self-supporting. However, Council is prepared to assist the Bugle by paying for space for advertisements of activities sponsored by the Association. The majority of Bugle revenue comes from advertising and as a basic policy the paper must be self-sufficient.

FUNDS LIMITED

The amount of funds available for capital expenditures is extremely limited. If all residents were to contribute to the association, the annual subscriptions would meet the normal operating expenses. Additional funds received from the MLS rebate, Community Fair, Bingos and other fund-raising activities could be used towards capital improvements.

SUBSCRIPTION MANDATORY?

Council is considering that the annual subscription should be mandatory for all residents of Griesbach, or as an alternative that messes and Junior Ranks Clubs be assessed an equivalent amount for the community association.

The funds received from the sale of dog licences will be used to provide a better standard of pet control in the PMQ Area through the Edmonton Society for the Prevention of Cruelty to Animals.

All dogs presently kept in Griesbach Barracks must be registered for their 1965 licence by June 30, 1965.

PERSONALITIES TO ATTEND FAIR

TO OPEN FAIR MAY 29

Bill Gadsby

Hockey celebrity Bill Gadsby, star defenceman of the Detroit Red Wings, will officially open the Griesbach Fair on Saturday, May 29th, at noon.

Bill Gadsby was chosen as a

member of the NHL second All-Star Team this year, his 19th season with the National Hockey League.

Prior to being with the Detroit Red Wings, Bill played on the New York and Chicago teams. He holds the appointment of Assistant Coach of the Red Wings after serving for some time as Player Association Representative.

Bill Gadsby makes his home in Edmonton with his wife and children. His off-season activities include an association with a local insurance firm. A rather unique situation exists for his children attending school each year. They start off with classes in Edmonton until Christmas, then find themselves answering the school bell in Detroit until Easter, to return to Edmonton for the finish of the school term.

PMQ residents and hockey fans will see Bill Gadsby in the Griesbach Fair Street Parade scheduled for 11 o'clock Saturday morning.

TO JUDGE BAKING AT FAIR

Laura Lindsay

CFRN - TV Hostess Laura Lindsay will attend the Griesbach Fair on May 29 to judge the St. John's W.A. Baking contest.

This well-known television personality is hostess of the CFRN-

TV program "Laura" seen each weekday on channel 3 at 1:00 p.m. She has been with CFRN-TV for 9 years.

In everyday life, Laura Lindsay is Mrs. B. T. Banks, a busy Edmonton housewife. Her son Tommy Banks is a well-known Edmonton musician.

In 1960, Laura won an award as the most outstanding TV personality with the best women's interest show in Canada, and in the same year captured a local "Viewers' Valentine" Award.

Laura Lindsay has prepared over 3,000 recipes for her 3,000 shows up to March 1964, is the only woman member of the "Chefs du Cuisine", and is the author of a best-seller Cook Book currently on the market. As a result of her TV programs she has completed 12,000 dish-washing sessions at home and at the TV studios.

PMQ residents and fans will see Laura Lindsay in the Griesbach Fair Street Parade scheduled for 11 o'clock Saturday morning.

CENTENNIALLY SPEAKING

The people of Alberta, and particularly persons and organizations directly concerned with the Centennial of Confederation, will be informed of federal, provincial, municipal and private centennial plans and developments within Alberta through the Province of Alberta "Centennial Bulletin", which will be published monthly by the Government of Alberta Publicity Bureau for the Provincial Centennial Committee.

It is the hope of the Provincial Centennial Committee that publication of the "Centennial Bulletin" will increase public interest, and help co-ordinate all Centennial thinking and planning within the province.

Copies of the "Centennial Bulletin" may be obtained without charge by writing to The Editor, Alberta Centennial Bulletin, 245 Highways Building, Edmonton, Alberta.

GRIESBACH Council Briefs

A proposed annual budget was presented to council. This is repeated elsewhere in this issue. It should be noted that comparatively little is available for capital expenditures such as playground equipment, etc. With the proposal now underway to build a swimming pool in the area, further financing will be necessary. The budget indicates 67% of residents are members. Much of the necessary financing would be available if all residents were to contribute.

for the Ladies

By Betty Hunter

Concentration time is here again (sounds like the first line of a song), and we shall be a community of grass-widows for six weeks or so.

Most of us find the first couple of weeks quite pleasant. We can relax our routine a bit; get involved in jobs around the house which entail having a room in a state of upheaval through normal mealtimes, without throwing father into a state of suppressed fury. However, after you have exhausted that first enthusiasm for taking on big household tasks, it becomes a long slow drag until the men finally return from their summer sojourn in that soldiers' paradise known as Camp Wainwright. This is the time when major crises seem to arise. Junior picks now, of all times, to cut his finger right through to the bone, or the baby seems unusually fretful and you can't decide whether you should call the doctor or not.

Well, if it's any consolation, the concentration will end eventually — he will be home again and — wouldn't you know it — as soon as he gets in the door all the things that were going so badly suddenly start to behave themselves and he just won't believe what a terrible time you were having while he was away playing war games!

EXAMINATION TIME AGAIN

This is an anxious time of year for many of our children. Examinations to be written — and for some it is the all important final toward which they have been striving since kindergarten. Upon this test of their knowledge hinge their hopes and ambitions (and ours) for the future. It can be an exciting time — many of the young people are on the threshold of interesting and challenging careers. We all wish them well in their chosen field.

However, for some it is not quite so easy. There are those who will have to repeat a year, or take a few subjects over again. We should all, as parents, try to put ourselves in the place of these youngsters. Life is not going to start off quite so easily for them. They may not have the ready adjustment to new situations that others enjoy. If your son or daughter brings home a report card which disappoints you, do realize it is an even greater disappointment to him. This is the culmination of a year's work, and it is heart-breaking for him to find that he has been unable to "prove" the required percentage of knowledge has been absorbed. This is no time for recriminations, but for understanding on your part. There should be a cooling off period so both of you can adjust to this situation. Then a calm discussion between you, in which you make a real effort to **listen** as much as possible, could well help both you and

the student to realize the cause of some of his difficulties, and so pave the way for a more successful school year to come.

STILL TIME TO REVIEW

A last minute reminder for the students seems to be in order. There is still time for you to review the year's work and get ready for the battle-of-the-brains. It is good to practice working in high gear. I know some of you have found it easy to get by in a lower gear, and this may be fine in the junior grades. But High School is a time for making greater effort so you become used to putting out the best work of which you are capable. The parents of Griesbach are really proud of our young people — we feel there are no finer students in any community than we have right here. The varied life you live as an Army dependent provides many advantages — as well as the disadvantages about which we hear so much. So let's give those books a final whirl and give the parents a really pleasant surprise!

GRIESBACH FAIR

Saturday, May 29, is the date of our Annual Fair. You will have seen the posters around the camp. Here is a reminder about the Baking Competition being sponsored by the St. John's W. A. Entry forms will be delivered to each PMQ. The competition is open to all residents and is divided into three classes:

Adults: Three Sections — Pies, Cakes and Breads.

PPCLI WIVES' CLUB

My apologies to the Ladies of the PPCLI Jubilee Wives' Club for failing to get your notice into last month's issue. Your publicity department was on its toes and sent me the information as usual, but unfortunately the envelope was waiting for me at the office while I was home on sick leave. When I returned to work it was past the deadline.) I just hope you all turned out for the meeting.

PPCLI WIVES' CLUB FINAL MEETING

An invitation has been extended to the PPCLI Jubilee Wives' Club to hold their final meeting of the season at Molson's Edmonton House on Tuesday, June 8th. A complimentary dinner will be served before the start

of the meeting. Ladies who would like to attend, this includes ladies whose husbands are attached to the PPCLI, are requested to phone Mrs. Couture at 479-4506, Mrs. Prouty at 474-4651, Mrs. Pruden at 474-4195 or Mrs. Preece at 474-7963. If possible, ladies who drive are asked to bring their cars. Transportation will be available for those who need it. Dinner is being served at 8:00 o'clock, therefore ladies will meet at 7:15 p. m. sharp at the P.T. Lounge before proceeding to Molson's. We would like to see as many people as possible come out for this occasion. The door prize is now worth \$15.00 and it will be drawn for until someone present wins it. If you are selling tickets on the T.V. Draw, stubs and money can be turned in at this meeting. If you do not attend, please turn in money and stubs before June 8th.

German lessons will start in the fall. If you are interested, please phone the ladies above.

We would like to thank all the ladies who donated candy and made the sale a resounding success.

"I" Cadre News

by Sgt. J. A. Hendrie

My most humble apologies to WO2 Bill Wenker for forgetting to include him in the last issue. The Sgt.-Major was successful in his course with the PPCLI. Sorry, Bill.

Now that the spring season is upon us again, the Militia units are moving out into the field for their Spring exercises. Of course this means that the "I" staff members are going too, so we haven't gotten too far ahead in our planning of week-end vacations. The fishermen in the unit don't object too strenuously as most fishing tackle fits rather nicely into those DND vehicles. We do get a lot of complaints from the golfers, though. Not everyone can be pleased.

The new establishment is here for the members of the "I" Cadre, so we are expecting a rash of postings in the near future, however, not in time to

Teen Talk by Postie

With the annual Griesbach Fair upon us, the teens of Griesbach have found that their share of the work and activities has increased greatly.

Padre Clark's "Church group" has promised us a new and exciting attraction that should be the hit of the fair. I am also told that this will be an excel-

lent chance to get rid of any grudges that you may have against any of the church group members.

The other half of the Griesbach teens, under the direction of their president, Rick Anderson, will be operating one of the more conventional type of concessions. Rick's group will

sponsor the annual "After the Fair Dance." The dance will be held in the teen lounge this year, instead of at the fair site as in previous years.

Both teen groups have embarked upon a "sprucing up" campaign for the teen lounge. Trees have been planted around the building and we are trying to get the quagmire in front of the lounge door turned into a patio.

Election time is here again!

A general meeting of all teen members will be called in the near future in order to elect a new teen executive.

SEE YOU AT THE FAIR.

Armed Forces Day

A series of Armed Forces Days across Canada will be initiated in Ottawa on June 12, with a parade of bands, men

and equipment from the Armed Forces and a simultaneous fly-past of service aircraft.

Incorporating many of the features of the individual service celebrations held annually in the past, Armed Forces Day programs will vary considerably at each location in Canada, but in each instance will be an integrated effort by the forces.

Armed Forces Day will be observed in a formal way in five major centres:

National: at Ottawa, Saturday June 12.

Atlantic Coast: at Halifax, Saturday, June 26.

Manitoba: at Winnipeg, September 11 or 26.

Quebec: at St. Hubert, Saturday, September 18.

For the first Armed Forces Day in Ottawa, a parade lasting more than an hour has been scheduled. It will include more than 4,000 men of the three services plus mobile or transportable equipment. At the same time a procession service aircraft of many types will fly overhead on the same route.

PARADE STARTS AT 11 a.m.

ASCENSION DAY

Thursday, 27 May

Masses: 8:00 a.m., 4:00 and
7:30 p.m.

In the Apostles' Creed, after
professing our faith in the pas-
sion, death and resurrection of
Our Divine Lord, we say: "He
ascended into Heaven." On the
fortieth day after His resurrec-
tion from the dead, Christ led
His apostles outside the city of
Jerusalem to Mount Olivet, and
from there rose into the Heav-
ens. We use the word ASCEN-
SION for this event, rather than
ASSUMPTION (as in the case
of The Blessed Virgin) to indi-
cate that by His own power, as
true God, Christ went to Heaven.
His tasks on earth were ended.
He had made full satisfaction
for the sins of men. He had
taught them how to save their
souls. He had established the
Church, He had instituted the
Sacraments, and so, the time
had come for Him to enter into
everlasting glory.

The Creed goes on to say
that in Heaven Our Lord "Sit-
teth at the right hand of God,
the Father Almighty". Of course,
this is a figure of speech, for
God the Father is a pure spirit,
without a body; hence, we can-
not speak literally of His "right

hand"; but this expression is
taken from the custom among
men of putting a guest of honor
at the right hand of the host.
Applied to Our Lord, it means
that as man He has the highest
place possible to a created nature
in Heaven; for as God is equal
to His Father. Since human
nature could not receive a more
exalted honor than it did by
being united personally with the
Son of God, Our Divine Saviour,
as man, enjoys the highest post
of dignity to the Holy Trinity
in the Kingdom of Heaven.

Although Our Lord is in hea-
ven, yet He is still intricately
united with us on earth. Through
His sacred humanity is bestowed
every grace that we receive in
the course of our lives. Through
His spirit He lives in the Church,
communicating to the members
the spiritual strength they need
to be loyal to Him. He abides
in the Blessed Sacrament in the
tabernacle of every Catholic
Church, listening to the prayers
of all who come to visit Him,
giving them courage and consol-
ation in the arduous battle of life.
Thus, He has fulfilled the pro-
mise He made before His ascen-
sion that He would be with His
faithful followers "all days even
to the consummation of the
world" (Matthew 28:20).

Practical Application — The
Ascension of Christ should re-
mind us that we too are destined
to be taken up into heaven,
when life's brief day is ended.
Then will be verified the pro-
mise which Our Lord uttered in
the Gospel read in the Ascen-
sion Mass "I will see you again,
and your heart shall rejoice, and
your joy no one shall take from
you."

ST. JOHN'S CHAPEL WOMEN'S AUXILIARY

May has been a busy month.
On May 1, a successful Rum-
mage Sale was held in the Ma-
sonic Temple. Thanks is ex-
pressed to all who gave clothing
and articles for this sale and
thus helped to make it such a
success. This may become a
semi-annual event, so, when
posted, housecleaning, or at any
time you have anything to dis-
pose of, give one of our mem-
bers a call and we will gladly
pick it up.

Some of our members atten-
ded the service at the Hope
Mission on the evening of May
3rd and served lunch to a large
number of men following the
service.

On the evening of May 6th,
we again took part in the an-
nual canvass for the Winnifred
Stewart School for the Mentally
Retarded. The results of this
canvass were very gratifying.

At our meeting on May 11,
Mrs. J. Holloway and Mrs. S. R.
Wyman of the Auxiliary to the
Edmonton Cancer Clinic, were
present to tell us of the urgent
need for ladies in Griesbach to
drive people to the Clinic for
treatments and also to act as
hostesses at the Clinic to dis-
pense coffee, cookies, etc., for
the patients awaiting treatment.
A few ladies of the PPCLI Jubi-
lee Wives' Club were also pre-
sent to hear Mrs. Holloway and
Mrs. Wymark and members from
both their Club and Auxiliary
volunteered to act as drivers and
hostesses.

On May 12, we were enter-
tained by the members of the
Catholic Women's League in the
P.T. Lounge. A pleasant evening
was enjoyed by all present. After
several games of "It's Your
Move", a delicious smorgasbord
was served.

All residents of Griesbach are
looking forward to the Commu-
nity Fair on May 29. We hope
many of you are planning to
enter our Baking Competition.
This will be judged by Laura
Lindsay. The prize-winning bak-
ing will be on display and all
baking will be sold at the Fair.

Junior Rifle Club

The Junior Rifle Club was formed by Major Stutt in 1959 and the next year became affiliated with Dominion Marksmen. Although it is a Junior Club they shoot under the adult competition rules and regulations.

These young people start by earning their Bronze, Silver and Gold Pins. For the Bronze pin their score must be 80 or better; Silver is 93 or over, and Gold 98 or better.

In the 6 years the Club has been operating there have been 102 Bronze, 35 Silver and 30 Gold pins awarded. There are

Crests for position shooting and 15 of these have been presented. Linda Weeks qualified and was presented with her Silver Shield, one of the highest awards in shooting. Her score was 5897 x 6000.

While these boys and girls are being trained in Marksmanship, they are also being trained in the safe handling of firearms when off and on the range.

This year 30 enthusiastic boys and girls participated in the Club, and thanks have been extended to everyone who has given their time and help.

Shooting Spoils

Picking up the silverware at Canadian NATO Brigade's Prix Lerc eliminations is becoming "old hat" for sharpshooters of the 1st Battalion, The Princess Patricia's Canadian Light Infantry. Here, Captain Pere E. Vik of Edmonton, left, accepts the Curry Trophy from Brigadier A. James Tedlie, the formation's commander, following the shoot-off in Menden, Germany. It was the second win in as many years for the unit who will represent Canada at the International matches in Grafenwoerth, Germany, this summer.

Junior Marksmen Receive Awards

The above are Rifle Club winners for the year — from left to right they are: Sgt. Vern Webb, coach; Bruce McOuatt; Robert Webb; Carolynn Webb; Theresa Weeks; Linda Weeks; Mrs. Webb, Secretary; Hap Stutt. Front row: Owen Stutt; Graham Henderson.

BADMINTON

The Griesbach Badminton Club (Teenagers) wound up the year's activities on May 5th.

The winners were:

Girls' Singles, Lucille Turgeon — Club trophy and miniature.
 Runner-up, Donna Morlock — Club T Shirt.
 Consolation event, Susan Bigalow — Club T Shirt.
 Boys' Singles, Brian Maule — Club Trophy and miniature.
 Runner-up, Bob Davidson — Miniature.
 Consolation event, Carl Curtis — Miniature.
 Girls' Doubles, Ann Bus — Killarney Drug Store Trophy and miniature.
 B. Post — Killarney Drug Store Trophy and miniature.
 Runner-up, Carol Meeks, Miniature.
 Sherry Chatry — Miniature.
 Boys' Doubles, Ray Barrett — Club Trophy and miniature.
 Brian Maule — Club Trophy and miniature.
 Runners-up, Bob Davidson — Miniature.
 Harold Gardiner — Miniature.
 Consolation Event, Carl Curtis — Miniature.
 Ron Rutledge — Miniature.

This year's final events showed that the calibre of badminton within the teen group has improved from last year. The judging was capably handled by John Vallance and Ron Howard (Maple Leaf Services).

Presentation of trophies and awards was held in the PT Building May 5th. The club president, John Vallance gave a review of the year's activities, financial and equipment report.

Major R. Buckley, chairman for the Griesbach Community, presented the trophies to the winners.

A vote of thanks was given to Brian Post for a capable effort in handling the teen club during the season, and to the PT staff for their co-operation. A buffet style lunch followed which was excellently prepared by Cpl. Dean.

RCEME Celebrates Birthday

On May 14th the RCEME Corps celebrated its 21st Birthday. To start the festivities, No. 224 Workshop at Griesbach toured the camp with a decorated float which depicted RCEME from 1944 to 1984.

In the above picture, the RCEME horse is seen resting at the head of the float while two technicians are examining a Bren Gun and a No. 19 Wireless Set, the type of equipment in use in 1944. In the centre is a modern V7 engine and a powerful 50 calibre machine gun. At the rear of the float, a glimpse into the future (1984) a manned space-craft ready to carry out field repairs to equipment on the moon.

13 COY RCASC NEWS

Capt. E. C. Digweed has returned from a successful and unnerving tour of duty with the Canadian contingent in Cyprus and is expected to resume his duties as Alberta Area Food Service Officer.

Sgt. F. B. Haws, formerly with 12 Coy RCASC, Regina, and recently returned from the Middle East, is now employed in the S&T Office. He plans to move his family to Edmonton at the end of the school year.

Sgt. D. J. McGuire successfully completed the Work Study

Course at the RCOC School and was to have been posted to Camp Wainwright Det on his return, however, he is now to remain with the Edmonton clan.

Sgt. G. A. S. Cameron dreamt during the long cold Alberta winter of a warmer climate. Well, he got his wish as he is now serving with the Canadian contingent in Cyprus.

Our sympathy is extended to the family of the late Mr Harry (Hank) Pearson whose demise was very sudden. While with the Coy, he was employed with the Mechanical transport work

shop. S/Sgt. (Cliff) Pearson, a brother of the deceased, was Orderly Room Sgt. until his promotion and appointment to "I" Staff Winnipeg, June 1964.

This year the Royal Canadian Army Service Corps celebrates its 64th anniversary. The Canadian Army Service Corps, which did not acquire the honorific "Royal" until after the First World War, was born in 1901.

A Warrant Officer nearing retirement age, put forth the suggestion that if he refrained from taking coffee breaks, would he be permitted to retire from the service 6 months earlier,

JOTTINGS FROM "G"

By J. R. Collins

Area "G" is one big happy family with a motto of Share and Share Alike, at least where food is involved. The tustier your lunch, the less you get to keep. Al has the misfortune to have a mother whose cooking is simply scrumptious. Lucky for us. Candy — now there's something that should be hidden at all times. With so many sweet-tooths in one little office it is a continuous contest of hide and seek, I hide the candy — you find.

With the terrific ventilation system the Government has in its buildings, it needs little to be improved on, but Sgt. Johnson has negotiated with Sgt. Nordin from "A" Branch (transferred to Winnipeg for his humifier. This he hopes will elevate our summer problem, but Lena (Mrs. J.) may have other ideas on the matter.

Back from two weeks of Militia Inspections has Sgt. Neis going hard at those files we left for him. While the Sgt. was away everyone had their finger into his work, but being baffled by most, gave it up as a lost cause.

The Small Arms Competitions are underway with two of our Captains, Weeks and Plishka, competing. Last year Captain Weeks was winner of the Individual High Aggregate for Pistol on the Alberta Area CA (R) Small Arms Competitions and placed 2nd in the Western Command Meet. Lots of luck to both.

A certain Sgt. informs me, now that PT is no longer compulsory, that a certain Major is conspicuous by his absence on the ¼ mile track. Is that a challenge, Sgt.?

One of our Majors has the task of lecturing to various organizations on the Army's Role in National Survival Operations.

PROMOTED

WO2 George Adams, LRAM, ARCM, of the PPCLI Regimental Band, has been promoted to Warrant Officer first class.

Born in Dundee, Scotland, he enrolled with the Band of the Royal Highland Regiment "The Black Watch" as a boy soldier, and made tours to Denmark, Sweden, Holland, France, Africa, Australia, New Zealand and British Guiana.

Band Sergeant-Major Adams was attached to the "Tri Service School of Music" Victoria, B.C., before being posted to the PPCLI Band in August 1964.

He resides with his wife Margaret and two children at 9720 152 Avenue, Edmonton.

Student Nurses are among the many who enlist our Major to enlighten them on the implications of nuclear warfare. I wonder which is the attraction, the lecture or — ?

I was requested to add the following to my articles. "Who is the young lady going in for 'hurdles' by practicing jumping ditches going to and from work?" Well now — if the City of Edmonton made it accessible to the Headquarters Bldg, we'd have no fun digging, plowing, and crawling to work, work, would we?

"I" CADRE NEWS

continued from page 4

get many people out of their vacation at Camp Wainwright. Not many of us would want to miss that anyway. Of course there are some malcontents who say that Wainwright isn't their idea of a summer resort, but that is mainly sour grapes. Last year the town of Wainwright was taking donations to raise money to bring the Buffalo back into the area and I noticed that the military personnel contributed most generously, I feel that I should say that even if and when the Buffalo are back, the camp

will not be closed. Save your money, men, that is just wishful thinking.

That's about all for now except to repeat that I am most deeply shocked that we have had no takers on our challenge to a volleyball game. Seems that we are now the Alberta Area champs by default. Next year we will of course defend our title against any and all-comers. I think it would be a fine gesture on the part of the powers that be if they gave us a trophy suitably inscribed to place in our trophy room. Any small trophy over 30 inches high would be suitable.

17 ROD News Briefs

By: WO2 J. A. Erskine

Col. D. H. Power, MBE, CD, Head of Corps, who is also Commandant of 25 Central Ordnance Depot, dropped in for a visit on May 13.

Following an inspection of a quarter guard, commanded by S/Sgt. Gordon Turpin, Colonel Power, accompanied by Lt.-Col. S. E. Hunter, was given a conducted tour of the depot. The VIP vehicle driven by Mr. Eli Wakaruk conveyed the inspecting party through the Warehouse, RIS, the Vehicle Compound and RSS.

Following a short coffee break with depot and 224 Workshop officers, Colonel Power addressed the troops in the cafeteria.

A luncheon with all regular Ordnance Officers, including civilian officers, was held at the HQ Western Command Officers' Mess.

WHO DID IT?

Or the case of the wandering smoke island. One day during the first part of May, the smoke "island" in the warehouse mysteriously moved from one location to a new one, and almost resulted in a federal investigation. Perhaps we should anchor it!

OLSON MAKES IT!

After waiting for what seemed to him to be an eternity, Bob Olson was finally able to announce the birth of his son, Ralph Henry, on April 26. We hope he has more hair than his father! Congratulations to Bob and wife Barbara are sent from the gang.

PROMOTIONS

Sgt. K. E. G. Robinson (I don't think he can even drink half a keg at one sitting), after many years of hoping for a crown atop the stripes, was finally awarded his Staff on May 15. He replaces Staff John Yashchuk, our traffic expert who has been "paper-posted" to 10 SDB.

RQMS Harold Young, formerly of the PPCLI Depot and lately a member of the ROD's Retail Issue Section, has been commissioned in the rank of Lieutenant and left for 45 COR RIS, Wainwright on May 10.

Two of our Ptes. have been selected for postings and promotions to Cpl. Pte. Chuck Gregory is headed for Shilo shortly and Pte. Ken Parks has already left for Rivers.

Mrs. V. Crosswell, who replaced Gladys Johnston on March 11, has been promoted to Postal Clerk 2 and left us on May 7 for other employment. Mr. D. McIlmoyle has transferred to DOT and departed in early May.

M - DAY

In many parts of Canada May 1st is generally considered to be Moving Day. Not to be outdone (although we did it on May 4) some sections of the offices were involved in switch-er-oo which was accomplished with a minimum of confusion.

The Orderly Room, Central Registry and the Mail Room staffs tore themselves away from

their well ventilated, spacious office downstairs and were relocated in the former domain of Area Controls Section where claustrophobia reigned supreme.

The Area Controls Staff left their beloved "inner sanctum", upstairs in the combat zone, to join the slowly disintegrating Inspection Section in the well ventilated, spacious office formerly owned by Lt. Johnson, Sgt. Rude and company. It's going to take awhile for Jean Preece to become accustomed to sunlight streaming in over her desk!

Staff Garry Wesley and staff took over Jake Wiedman's former residence. Now he can develop those devastating time studies without being distracted by the mad, mad world outside, with the bustle of human bodies dashing frantically about in their never ending quest for solutions to bewildering problems.

Despite the confusion of filling cabinets, tables, chairs and even the office safe being dragged up and down the stairs, normal routine was almost maintained to 100% efficiency.

There were no violent arguments, however, remarks like the following were heard: "How about leaving the pencil sharpener?" "I need more large size waste paper baskets." "Why? I throw out as much junk as you!" "I'm taking my own chairs, arm tilter up." "You can't, you're not entitled to it!" "I know, but I'm taking it anyway!" And so on.

Bill McDougall and his gang of efficient furniture handlers, managed to move everything without accident. They are now fully qualified and can apply for moon-lighting jobs with any reputable moving firm. And special appreciation to Charles McGunnigle who wielded his hammer and screwdriver in such convincing manner. After all, those screws are difficult to remove with a nail file or letter opener.

CRAZY?

Did you hear about the guy who thought he'd better visit

a psychiatrist because he was worried? He had given up smoking without any trouble.

CASUALTIES

Staff S. H. Sampson has joined our happy group on his return from the Calgary Det. He replaces Staff Aucoin as Warehouse Foreman. Cpl. W. Henderson arrived back from the RCOC School and a Storeman course safe and sound, and reports everything normal down east. Carl McInroy has returned to us from HQ Western Command.

Mrs. Florence Gillespie, of the Typing Pool departed for retirement on May 6th. Mrs. Gladys Cox has also left for employment at Headquarters.

Pte. Mike Flanagan has hit the end of a long career and left for 10 PD and release on May 7th and the plants in the foyer have already drooped in mourning.

Congratulations to Cpl. G. Gardiner on his appointment of L/Sgt. and to Pte. J. Burns who has been promoted to L/Cpl.

FLAG DEDICATION

Our depot was well represented at the dedication of the new Canadian Flag held at St. John's Chapel on May 16th. Lt.-Col. Hunter and his family along with Major Haines, Major Read, Lt. Johnson and a large number of ORs attended the service.

FAMOUS CANADIAN ARMY BADGES

Royal Canadian Electrical and Mechanical Engineers

Superimposed upon a lightning flash, a horse, forcene, gorged with a coronet of four fleur-de-lis, a chain reflexed over its back and standing on a globe inscribed with the Western Hemisphere. Superimposed across the lightning flash behind the horse's head, a scroll inscribed 'RCEME' the whole surmounted by the crown.

ORGANIZATION

The Corps was authorized on February 1, 1944 under the designation "Canadian Electrical and Mechanical Engineers." It was redesignated "Royal Canadian Electrical and Mechanical Engineers", April 20, 1944; "The Corps of Royal Canadian Electrical and Mechanical Engineers", April 13, 1953.

NUTS & BOLTS

by Cpl. J. Woychuk

Again the "Happy Gang" of 224 Workshop are busy preparing to celebrate their Corps' Birthday. This year RCEME comes of age — 21 years old.

A brief history of our Corps follows: Although the formation of the Corps of the Canadian Electrical and Mechanical Engineers was authorized by the Canadian Government from February 1, 1944, the actual birthday of the Corps of the Royal Canadian Electrical and Mechanical Engineers (RCEME) is taken as May 15, 1944, the date on which personnel were actually first posted to the new Corps and its organization in effect came into being. Between the date of its authorization and its birth, the prefix "Royal" was added to the title, parallel to the granting of the Royal prefix to the corresponding Corps in the British Army, the Electrical and Mechanical Engineers.

Two of the flock have returned to our fold after successfully passing the APC (Armoured Personnel Carrier) course. Welcome back S/Sgt. Bill Hartie and Cpl. Tom Shaw.

The Junior NCOs and men had a very successful get-together party at 224 Workshop with Capt. H. J. Millen and WO2 R. Storbo as their honored guests. All results indicate that more nights like this are slated for the future.

With our many joys we also have some bitter tears. We have lost one of our fellow workers and good friend, Mr. Hank Pearson, who passed away suddenly on May 5th. We, personnel of HQ 13 Company RCEME and 224 Workshop RCEME, send our very sincere condolences to Mrs. Pearson and family.

Once again we must say farewell. Sgt. Bob Jonah has been posted to Rivers, Man. Best wishes, Bob and family.

AT 13 WORKS COY RCE

by Rosemary Parsons

13 Works Coy RCE seems to be suffering from 'Spring Fever'. Windows are dotted with personnel looking enviously and longingly at the wide open spaces, or reminiscing over the thrill of that first wack on the golf course... This must be the only reason for the shortage of "Juicy News" this month.

Tears were flowing fast and furious as good-byes were said to Whitey, our Elia Kuriarkan of the Draughting Office and Mr. H. Hanson, our Ardent Painter. Just a minute now, while I get another hanky. Congratulations and best wishes are extended to Whitey on his promotion to Draughtsman 3 and we wish all the best to Bert in his new home in Victoria.

Once again the "Welcome Mat" has been hauled out for Mrs. Noack (Kathy) our new Draughtsman. WHOOPS!!! It should be Draughtswoman, oh, well, welcome to the Unit.

S/Sgt. Ford has returned from his course in Montreal. Listen to that fluent french... "Parlez-vous Anglais."

Nearly forgot to mention the RCE Anniversary Dance. Guests from Penhold, HQ RCE and 25 Fd Sqn. were in attendance. At times the dance floor was so crowded that instead of dancing "Bumps-a-daisy" was played.

Ray, breathless and terrified, came running in the office babbling incoherently about the "GIANT SIZED GOPHER" that had chased him. He claims the size of his teeth and eyes were strictly out of this world. Hm-m have to re-read my story book. Never knew Paul Bunion had a pet gopher.

Have you ever wondered how a cute young Miss solves the boredom of noon-hours. If you see someone walking down the railway tracks licking a Pop-sicle, orange or lemon-lime, don't for the men in White Jackets, it's only Margarete. She boasts about holding the record — two blocks without falling. Any challengers? Phone Local 567.

Spr. Ganton and Spr. Campbell have departed for RCSME

to attend the Plumber Group 3 Course.

Oh!! Oh!! Pen dry
No ink
Mind blank
Can't think

See you all next month.

New Unit Formed

Her Royal Highness, The Princess Margaret, has consented to become colonel-in-chief of Canada's newly-formed Highland Fusiliers of Canada.

The new Militia regiment, whose headquarters will be in Galt, Ont., was created by the amalgamation of two of Ontario's distinguished Highland regiments in the reorganization of Canada's Militia in 1964.

Her Royal Highness formerly held the appointment of colonel-in-chief of the Highland Light Infantry of Canada, Galt, Ont., before its amalgamation with the Scots Fusiliers of Canada, Kitchener, Ont. She also holds a similar appointment for The Princess Louise Fusiliers, a Halifax Militia unit.

He confided to a friend, "I was hoping for a boy to help me with the housework."

SCOUT JAMBOREE
IN THE ARCTIC

A Boy Scout jamboree in the Arctic is under consideration by the National Arctic and Northern Committee of the Boy Scouts of Canada. Originally scheduled for 1967, the jamboree is now being planned for 1968 to avoid conflict with centennial events. The idea was the brain child of Mr. B. G. Sivertz, Commissioner for the Northwest Territories Council, when he was director of administration of the Department of Northern Affairs and National Resources.

The plan would bring together most of the Eskimo and Indian Scouts in the Northwest Territories and the Yukon, together with a troop of Scouts from each of the provinces, with a total possible attendance of about five hundred. No site has yet been selected. Chairman of the National Arctic and Northern Committee on Scouting is Air Vice-Marshal J. B. Harvey, Commander, Northern NORAD Region, North Bay, Ontario.

Mother and Daughter Banquet

Left to right: Mrs. H. Wray, District Commissioner; Mrs. R. Patterson, Captain, 2nd Guide Company; Mrs. E. M. K. MacGregor; Mrs. H. Hodkinson, new District Commissioner.

MOTHER AND DAUGHTER BANQUET

The annual Brownie Mother and Daughter Banquet was held on May 7th in the PPCLI Men's Mess, with 275 attending. Girl Guides served and acted as hostesses for the evening. Gifts were presented to Mrs. H. Wray, District Commissioner, who is leaving the District; Mrs. V. Webb, Brown Owl of No. 3 Pack, who is retiring from Guiding, and Mrs. M. Dawes, Lt of

3rd Guide Company, who is leaving the District, in appreciation of the work they have done with the Brownies and Guides of Griesbach.

A special gift was presented to Sgt.-Major Popp in appreciation of his efforts over the years to make our banquets successful.

It was announced that the new District Commissioner will be Mrs. H. Hodkinson, presently Brown Owl of No. 2 Pack.

RANGERS WILL RE-OPEN IN SEPTEMBER

The Third Land Ranger Company has had to close due to lack of Leaders. The Ranger Company will re-open in September in Griesbach providing space and Leaders are available.

Any girl aged 14 to 18 years old interested in joining Rangers please contact the District Commissioner, Mrs. H. Hodkinson at senior order of the Girl Guides 477-7214. The Rangers are the of Canada.

Any adult who is interested in helping with this group would find the work very rewarding.

With the recent changes in the Guide Movement, a Guide goes on to Rangers at 14 years of age. This becomes effective in September so this is an urgent appeal for interested ladies to offer their time for a short period each week.

SCOUTS TO COLLECT NYLON STOCKINGS

The Defenders District has been invited to participate in a most worthwhile service project in the collection of discarded nylon stockings. The purpose of this collection is to ship the stockings to Korean factories, which use them as raw material for remanufacture. At the moment three Korean factories are standing idle due to lack of this

raw material.

This will be set up as a Wolf Cub project within the District. PMQ residents are requested to save all old nylon stockings and to make them available on group paper drives.

TALENT SHOW HELD

The Alexander Local Association sponsored a Talent Show on April 23rd in No. 1 School, with 46 children taking part. The Adjudicators, Miss Ball of the Muriel Taylor School of Dancing; Mrs. Bishop and Mr. Murray Church did an excellent job. Sgt. W. Harper was Master of Ceremonies. The trophies in each class were presented by the District Commissioner, Mrs. H. Wray. The winners were:

Dancing — Jacqueline Debra Howard.

Elocution — Joanne Haire.

Vocal — Lawrence Falconer.

Instrumental — Ainslee MacQuarrie.

The Alexander Local Association Trophy for the best performance of the show was presented to Lawrence Falconer for his rendition of "Where Have All the Flowers Gone?"

It is hoped that the Talent Competition will become an annual event, and every encouragement will be given to the many talented youngsters in Griesbach.

A special "thank you" to all

who assisted with the Talent Show and especially the Mothers who donated candy for the candy sale.

Prize winners for ticket sales were Suzanne Jackson, Catherine Cooper and Bonnie Einarsson.

Note of Thanks

The Alexander Local Association of Guide and Brownie Mothers wishes to extend a sincere Thank You to all the mothers who donated fudge and popcorn. These items sold very readily at the Talent Show held on April 23rd.

A further expression of thanks is extended to all the Mothers who so generously gave of their time and merchandise to assist with the catering for the Engineers Party and for the Masonic Party.

Guides Active in Swimming

The annual Edmonton Girl Guide Swim Gala was held on May 12 at the University of Alberta Pool. North side girls won the cup for the fourth consecutive year.

One glance at the score sheet would tell you that 2 Griesbach Guide Company made a very substantial contribution to the end result.

We believe they have developed a new instant swim power. Sahara Tucker received the cup for the North Side.

Well done, 2nd Griesbach.

Paper Quips from Area "A"

By Sgt. Hal Nordin

I feel that this submission should be my finest endeavour — considering it will be my last, due to recent notification of my posting to Headquarters Manitoba Area. However, due to my very limited literary capacity I shall be forced to render the "News of our Branch" in my usual fashion.

Mrs. Thelma Campbell arrived at our Branch recently from 17 ROD. Thelma has vast experience reaching back to 1942 when she first worked for RCOC in Toronto. Her cheerful personality will be a refreshing addition to our Branch. Welcome, Thelma.

Our Barbara Robinson is in a dilemma of late; it seems she

is the proud owner of a vast herd of cattle (7 head to be exact) — and the problem she now faces is: What brand should she adopt? Whatever design she may decide upon, I do hope she'll scotch-tape it on those hot branding irons smart.

And now, as I bring my brief but enjoyable literary career with the Bugle to a close, I would like to render a large bouquet to all the fine people with whom I had the pleasure to be acquainted — in "A" Branch — and throughout the Headquarters building. To these people I offer the following lines:

The people I've met, I'll never forget!

My memory has put them in frames;

The Witty, The Charming, The Pretty, disarming;

I'll remember them all and their names.

Adieu!

Hal Nordin.

National Flag Dedicated

On May 16th the Dedication of the National Flag was made in St. John's Chapel.

After Maj.-Gen. J. M. Rockingham, CB, CBE, DSO, ED, CD, GOC Western Command snapped the cord unfurling the new Canadian Flag. Lt.-Col. J. Cardy, MC, CD, Comd Chaplain (P), offered a prayer of dedication.

The service was well attended by Griesbach service personnel and their families including Brig. and Mrs. G. C. Leach and other high-ranking officers.

Maj.-Gen. Rockingham read the Lesson for the Day and Maj. E. W. MacQuarrie, CD, MA, BD, delivered a sermon "In God's Name."

The choir, under the direction of Capt. Herb Jeffrey, Command Inspector of Bands, presented an anthem by C. Franck entitled "O Lord Most Holy."

Recruiting News

The first integration of the Canadian Armed Forces at the field level took place on April 1st, when 15 recruiting centres and 19 sub-centres across Canada came under direct functional control of the Director of Recruiting at Canadian Forces Headquarters.

The Edmonton Recruiting Centre is still in the same location and, with one or two additions, has the same faces as before integration, its members being:

Maj. J. E. Hodge, PPCLI — CO.
 LCDR W. E. Widdows, RCN — Recruiting Officer.
 F/L W. J. Kelly, RCAF — Local advertising and administration.
 F/L J. D. Thomas, RCAF — Recruiting Officer.
 Capt. L. F. Grimes, PPCLI — Recruiting Officer.
 Lt. C. W. Cathcart, RCD — Recruiting Officer.
 PIER R. W. Hinds, RCN — Recruiting NCO.
 Sgt. R. T. F. Bremner, RCAF — Chief Clerk.
 Sgt. G. S. Debney, PPCLI — Recruiting NCO.
 Sgt. C. H. Elton, RCASC — Programming NCO.
 Sgt. A. W. Robinson, PPCLI — Recruiting NCO.
 Sgt. L. A. Tuttle, PPCLI — Recruiting NCO.
 Cpl. J. G. Macauley, RCAF — Documentation NCO.
 L/S W. J. H. Kellerman, RCN — Documentation NCO.
 LAC W. Archer, RCAF — Orderly Room Clerk.
 LAC E. P. Fontaine, RCAF — Documentation Clerk.
 Miss J. H. Duport, Civilian — Stenographer.

All service members should act as recruiters whenever the opportunity presents itself and, in this respect, it would be of considerable assistance if the word could be spread among civilian friends and associates that the Armed Forces still require officers and men despite announcements that may be construed to the contrary. The facts are:

During the next two years, the services expect to lose 24,000 personnel through retirement and other causes. The planned reduction in the services strength of 10,000 through integration, will leave 14,000 jobs to be filled.

The Hon. Paul Hellyer, minister of national defence, told a House of Commons committee recently that "Recruiting is at a very high level. The services took in 10,000 last year and recruitment figures for each month this year show increases for the same month of 1964."

The Canadian Armed Forces Recruiting Centre, Edmonton, with Major J. E. Hodge, of Toronto, Commanding Officer, will be reduced in staff to 14, (6 officers, 7 other ranks and a stenographer) from its present 17.

The recruiting centre will "step-up" its mobile recruiting considerably with a view to providing information to those interested within the vicinity of their homes, school or work and at times convenient to them.

The Edmonton centre covers all of northern Alberta, north of Red Deer, the South Peace area of British Columbia, the Yukon Territory and part of the Northwest Territories.

PPCLI DEPOT NEWS

Annual range classification for personnel of "other units" and staff of Griesbach Garrison has been completed and judging by the results that old adage of "the pen is mightier than the sword" has got to be true or we have had it.

Last month Cpl. Art Tupper qualified as a First Aid Instructor and Cpl. Jim King on the Judo Instructors course. Sgt. Bill White qualified on the unit anti tank course, one of the career courses he missed while instructing Militia in B. C. Area.

Gully platoon started training April 26. For those who are uninitiated, platoons are named after the Battle Honours of the Regiment. "The Gully" was one of the actions in the Italian campaign which is emblazoned on the Regimental Colour.

Sicily platoon graduated May 3. Pte. E. F. Borchert of Edmonton was the Best Recruit. No formal graduation parade was held because half the platoon had volunteered for service in North West Europe so embarkation leave took priority.

Mrs. Dorothy Watt our number 1 typist appeared at work with a dazzling pair of glasses and was most surprised to see the letters on the keys of her typewriter.

Another welcome addition to our staff is Mrs. Denise Sladek our new stenographer. Denise's husband is with the RCAF at Namao. Welcome to our favorite unit, Denise.

Lieut. M. W. (Buzz) Bezaire, RCR, our Fitness and Recreation Officer was posted to London, Ontario. An enthusiastic officer, he will be missed in the Garrison not only by DND personnel,

but more so by the children as he was very active in the children's gymnastic and swimming activities. May we wish you the best in all your endeavours, Buzz.

RQMS (WO2) Harold Young RCOC, was promoted to Lieutenant and posted to 45 COR Camp Wainwright. Congratulations Lt. Young and may your tour in the Ponderosa be a pleasant one.

Mrs. Doris Falconer is remaining very quiet about the front fender on her car. We understand she fixed it herself by working at night.

Our favorite jack of all trades Mrs. Colleen Laliberte, has been moved to training wing. She is the only one who can read the writing of the people up there.

PPCLI Report

During the past month the Battalion has been very active. On April 23, the Battalion celebrated Kapyong Day. Pushball, volleyball and soccer provided entertainment for both players and watchers. Mr. James Hall, U. S. Consul, joined the Battalion for this celebration.

May 5 and 6, C 130 conversion training was carried out. For the first time, Patricias made ramp jumps from the Hercules aircraft. Prior to this date, the parachutists had made their exits from the rear side doors. This type of jumping provided much interest for the airborne element.

The Frezenberg Day Church Parades were held on May 9. The Protestants paraded to All Saints Cathedral and the Roman Catholics to the Chapel in Griesbach.

The Battalion was honoured by a visit with Field Marshal The Lord Harding of Petherton, GCB, CBE, DSO, MC. Lord Harding inspected a 2 PPCLI quarterguard and had coffee with the officers on May 10. He was very interested in the history of the Regiment as depicted in the Regimental Museum.

The week of May 9, found most of the Battalion in Camp Wainwright doing the annual range classification.

OFFICERS' MESS

Mr. James Hall, U. S. Consul, was guest of honour at the Kapyong Mess Dinner on April 23. The Dinner was held in traditional oriental style and everyone had a good time.

Field Marshal The Lord Harding of Petherton, GCB, CBE, DSO, MC, had coffee with the officers on May 10. It was very enjoyable to talk to a man of his character and experience. He was made Honorary President of the Winston Spencer Churchill Unit No. 3 on that evening and was guest speaker at the Winston Spencer Churchill Society Banquet at the Macdonald Hotel.

Everyone is looking forward to the Trooping Mess Dinner June 3, and the Trooping Ball June 4.

SERGEANTS' MESS

Eighty members and guests attended the Sergeants' Mess smoker at Hamilton Gault Barracks to celebrate Kapyong Day April 23.

The guest of honour was Captain Les Grimes, Army Recruiting Officer for Edmonton.

The time has come for all outdoor cooking enthusiasts to dust off their barbecues and think about doing some outdoor cooking.

In barbecue cooking, there is a difference between the cooking of red and white meat. Red meat demands a searing to seal in the juices and retain the flavour. On the other hand, white meats, because of the difference in tissues, do not need the searing process, but do not require basting.

Whether you are grilling or spit barbecuing, having the coals right is very important. A bed of glowing coals does the best job, so make sure you start the fire sufficiently in advance so that it will have burned down to coals when you start to cook.

Before you start cooking tap the grey ash off the coals. Ash holds the heat back, and acts as an insulator. Remember the same as in all cooking, a little heat goes a long way.

BEEF KABOBS

Beef round gets a leisurely drink in California Marinade. (Recipe below).

Choose three pounds of lean beef round, cut into 2½ inch squares. Add beef squares to California Marinade, turning to coat. Refrigerate 24 hours to 36 hours to give marinade time to tenderize beef; turn the beef occasionally. Fill skewers alternating meat squares with green pepper, mushrooms, cooked potatoes, or other kabob tidbits of your choice. Broil to rare or medium rare over hot coals, brushing frequently with melted butter or margarine. Use rotating skewers or turn often on grill.
